July 17th - July 20th Artist's Camp

We will introduce the children to different mediums of art and each child will make their own piece of small pottery with Teacher Stephanie. We will introduce them to all types of paints from watercolors to finger paints and reintroduce clay with more working tools.

July 24th - 27th Farmer's Market and Cooking Adventures

Each child will get to decorate their very own chef's apron and be able to cook various recipes to enjoy with their friends and families! These will be different recipes than those we use during the regular school year. They will also be making things to "sell" to one another during market time at camp!

July 31st - Aug. 3rd "The Great Outdoors!"

We will tell campfire stories, make s'mores and trail mix, make nature collages, hide out in tents, and sit out in our camp chairs. Ahhh, the joy of the great outdoors!

August 7th - August 10th "Ocean Adventure!"

This week the children will be learning about all types of fish and animals that live in the sea. They will get to paint with fish, enjoy the fish market in the loft room, and have fun with sea salt art and many more ocean adventures!
