Application forms must be returned to Live Oak, *including* full payment of camps, by no later than May 15. Camps are filled on a first come first served basis. If for any reason you need to cancel your camp reservation, please understand that monies paid are non-refundable after June 15, 2018. If you need to cancel *prior* to June 15, and we receive notice two weeks prior to your child's first scheduled camp, you will be refunded 50% of your payment.

June 25th-June 28th

Science Camp!

This will be one messy and fun week! If your child is into anything "sensory," this is the camp for your child. Our art and outdoor play will be some of the messiest but some of the most fun around! Your child will enjoy watching things fizzle and drizzle, and explore with all their senses during a variety of exciting scientific experiments! If they like to explore with their hands and don't mind getting a little messy at times, this is the camp for them!

July 9th - July 12th

Artist's Camp

We will introduce the children to different mediums of art and each child will make their own piece of small pottery with Teacher Stephanie. We will introduce them to all types of paints from watercolors to finger paints and reintroduce clay with more working tools.

July 16th - July 19th

"Ocean Adventure!"

This week the children will be learning about all types of fish and animals that live in the sea. They will get to paint with fish, enjoy the fish market in the loft room, and have fun with sea salt art and many more ocean adventures!

July 23rd - 27th & July 30th - August 3rd

Jump Start to Kindergarten -

"It's a Bug's Life"

During this week the children will enjoy an enriched curriculum reviewing pre-kindergarten skills that include math, literacy and all the fine motor skills necessary for kindergarten. All of this will be accomplished through the fun of learning more about insects and our natural surroundings.

(Children must be turning 5 by October 1st, 2018 to join in this camp.)

August 6th-August 9th Farmer's Market and Cooking Adventures

Each child will get to decorate their very own chef's hat and be able to cook various recipes to enjoy with their friends and families! These will be different recipes than those we use during the regular school year.
