**Total amount owed for summer camp: \_\_\_\_\_**

Application forms must be returned to Live Oak, *including* full payment of camps, by no later than May 3. \$20 additional per camp will apply after May 3. Camps are filled on a first come, first served basis. If for any reason you need to cancel your camp reservation, please understand that monies paid are non-refundable after June 7, 2019. If you need to cancel *prior* to June 7, and we receive notice two weeks prior to your child's first scheduled camp, you will be refunded 50% of your payment.

June 24th-June 27th                      Chef's Camp!

Each child will decorate their very own chef's apron and be able to cook various recipes to enjoy with their friends and families! These will be different recipes than those we use during the regular school year.

July 1<sup>st</sup> - July 3<sup>rd</sup>                      Safari/Wild Animal

Children will learn about wild animals and have fun on a safari hunt, while also making a habitat for safari animals.

July 8th - July 11th                      Artist's Camp

We will introduce the children to different mediums of art and each child will make their own piece of small pottery with Miss Stephanie. They will also work on a special clay project with Miss Elizabeth and be reintroduced to finger paints and clay while using different tools.

July 15<sup>th</sup> - July 18<sup>th</sup>                      Dinosaur Camp

Our little paleontologists will have the opportunity to do a real "dig" for bones in dirt and sand. They will also make dinosaur bones and learn what a real paleontologist does when in the field.

July 22<sup>nd</sup> - July 25<sup>th</sup>                      Science Camp (with Bugs!)

The children will enjoy investigating all sorts of little critters with magnifying glasses and special bug catchers, while also hands on science experiments with things that bubble, drizzle, and fizzle! The perfect camp for your budding scientist who likes to explore with their hands and is into anything "sensory!"

July 29<sup>th</sup> - August 2<sup>nd</sup>                      Big Kid's Week - Space Camp

They will learn about the solar system and work cooperatively to make planets and group solar system. They will also work together to make their own rocket ship and learn what it takes to be an astronaut!

August 5<sup>th</sup> - August 8th                      Ocean Adventure!

This week the children will be learning about all types of fish and animals that live in the sea. They will get to paint with fish, enjoy the fish market in the loft room, and have fun with sea salt art and many more ocean adventures!
