IMPORTANT NOTES:

*There is a \$150 nonrefundable enrollment fee for all new enrollees due at time of enrollment, and a \$100 nonrefundable re-enrollment fee for returning students.

*The first tuition payment (of 10 payments) is collected by June 1st, 2019 and is nonrefundable. This payment will serve as your last month's payment for the 2019-20 school year.

*Fundraising Production fee: \$250. This fee covers the two fundraisers we have during each school year. The Live Oak Walkathon, which is a family fun-filled event, generally takes place in October. The DDA (that stands for Dinner/Dance/Auction) takes place in March or April and is our largest and most important fundraiser. The money raised by both of these events supplements our budget to help enrich our curriculum with additional science, math, and music programs. It also enables us to bring in special visitors to our school, assist with funding of continued early childhood education for our teachers, and help with maintenance of our playground. Paying the fee gets you two tickets to the DDA event—a great night of dinner, dancing, wine, and beer, put on entirely by volunteers from our parent community and board. The fee can be paid in full now with enrollment; or in full Sept. 1; or can be paid with \$100 now AND add \$75 each month to tuition payments due on Sept 1 and Oct. 1.
