IMPORTANT NOTES:

*There is a \$150 nonrefundable enrollment fee for all new enrollees due at time of enrollment, and a \$100 nonrefundable re-enrollment fee for returning students.

*The first tuition payment (of 9 payments) is collected by June 1, 2020 and is nonrefundable. This payment will serve as your last month's payment for the 2020-21 school year.

*Fundraising Production fee: \$250. This fee supplements the two fundraisers we have during each school year. The Live Oak Walkathon and the DDA (that stands for Dinner/Dance/Auction). Due to COVID concerns, the nature of these events may be different than prior years, however, we are looking forward to bringing you the same fun experience. The money raised by both events supplements our budget to help enrich our curriculum with additional science, math, and music programs. It also enables us to provide funding for continued early childhood education for our teachers and help with maintenance of our playground. There are three payment options: the fee can be paid in full with enrollment; or in full Oct. 1; or can be paid with \$100 at enrollment AND add \$75 each month to tuition payments due on Oct 1 and Nov. 1.

*Live Oak offers tuition assistance to families in need. Once we have a list of qualified applicants, we fill the annual tuition assistance fund directly with donations and in combination with funds allocated in our yearly budget. To apply, please request a tuition assistance application from our Office Manager, Dannelle: dannelle@liveoakschool.org
