OCTOBER 2026

LIVE OAK PRESCOOL NEWSLETTER

LETTER FROM THE DIRECTOR

Fall is beginning to show itself at Live Oak! The children are noticing leaves falling, colors changing, and all the little signs of the season around us. It's such a beautiful time of year! As the cooler weather arrives, remember that we love our outdoor play year-round, so bring on the layers this time of year.

We are off to such a wonderful start to the school year. The children are settling into their routines, building friendships, engaging in play, and growing more confident and independent each day. It has been so fun watching our classrooms come together! Music with Miss Ali is underway! We feel so lucky to have Miss Ali sharing her love of music with our children. Twice each month, she joins both classes for singing, movement, instruments, and lots of musical fun. Be sure to check the monthly school calendar for her upcoming music days.

Our first fundraiser of the year is almost here! Join us for our Harvest Festival on Saturday, October 24th from 1:00–4:00 PM! This is such a fun Live Oak tradition and a wonderful way to bring our school community together while supporting our preschool. We can't wait for an afternoon filled with fall fun!

Finally, thank you for taking the time to connect with us during intake conferences. We truly value hearing about your children through your eyes. Your partnership helps us better understand and support each child, and we are so grateful to begin another wonderful year together.

Warm Wishes,

Miss Shirleyann

HOW TO TALK TO YOUR CHILD ABOUT THEIR DAY

Getting preschoolers to tell us about their day can be tricky! Instead of asking the big question, “What did you do today?” try asking about something specific. Fun, simple questions can spark memories and lead to some pretty wonderful conversations.

Try a few of these on the ride home, at dinner, or before bed:

- What did you play with outside?
- Who did you play with today?
- Did you help a friend today? Did someone help you?
- What was your favorite thing you played with?
- What did you have for snack?
- What made you feel happy today?

And remember, sometimes “nothing” just means, “I had a very busy day playing, learning, and being three or four and I don’t quite know where to begin!”

IMAGINATION, PROBLEM SOLVING & COLLABORATION!

FALL FUN!

Both programs will be having Fall Celebrations:

Thursday, October 29th for TT Program

and

Friday, October 30th for MWF

Students can wear non-scary costumes! The day will be filled with fall fun, yummy snacks!
